Dear Scott

**Sparkbrook Community Centre Church, Birmingham (Phase 2)**

On behalf of both myself and Ben Shakespeare (Trainee Site Manager) I just wanted to take the opportunity to pass on our thanks for the frame that you have supplied and erected at the Sparkbrook site.

It has been a pleasure to deal with a sub-contractor who delivers exactly what they promise too, someone who is able to meet the programme dates and install the product to a good quality standard.

The erection team who worked on site are a credit to your company and their approach to safety has been outstanding throughout the erection of the frame. I'd also like you to thank the team who constructed the frame as it is very well made, the teamwork has been exceptional and everything has gone together without any hitches.

I would thoroughly recommend your company to any of our future sites / tenders who are seeking the erection of a frame. Once again, thanks for a job well done.

Yours sincerely

PP  
Neil Slater  
Senior Site Manager
