FAO Scott Lightfoot

**Dear Sirs**

**Re: New Little Hulton RC Primary School, Salford**

We write to express how pleased we are with Reynolds & Litchfield's performance on the above project.

We were most impressed with the quality and speed that the 110 tonnes of steel were erected, your attitude towards health and safety on site and your ability to make adaptations caused by late design changes.

We thank you for your assistance in helping to make this a successful project and look forward to working with you again in the near future.

Signed for and on behalf of  
**Wates Construction Limited**

**Will Jenkins**
